

JOIN OUR EXHIBIT TEAM!

We're seeking **Exhibit Maintenance Volunteers** to assist with the upkeep & maintenance of our interactive exhibits at the Lancaster Science Factory!

ABOUT US:

The Science Factory is a hands-on science center that inspires and educates children about STEM topics through interactive exhibits and programs. Our exhibits cover various topics in science, including physics, engineering, light and energy, environmental sustainability, fluid dynamics and more.

WHO WE NEED:

- ✓ People with hands-on experience with electrical, mechanical, woodworking, or plumbing systems.
- ✓ Workshop experience using a variety of mechanical or woodworking tools.
- ✓ Excellent problem-solving skills and attention to detail.
- ✓ Ability to work independently and as part of a team.
- ✓ Good communication and interpersonal skills.

WHAT YOU'LL BE DOING:

- * Conduct regular inspections of exhibits to insure they are in good working order and make any necessary repairs or adjustments.
- * Assist with the installation and removal of exhibits as needed.
- * Assist with the development and implementation of exhibit upgrades and improvements.
- * Maintain cleanliness of exhibits and ensure that they are organized and presentable at all times.

Volunteers for the Exhibit Team report to the Exhibit and Facility Manager and will have the opportunity to learn about museum operations, exhibit design and science education! Best of all ... flexible scheduling is available!!

MORE INFO:

If you have questions or would like to discuss this opportunity, please send an email to Cody Makarevitz at cmakarevitz@tlsf.org . Include **"Exhibit Team"** in the subject line.
