Program details: The Lancaster Science Factory is hosting students in grades 3rd – 8th who are participating in online learning through their regular public or private school each week day from 9am – 4pm. Parents may choose a half-day (9am – 12pm or 1pm – 4pm) or full-day (9am – 4pm) session.

The Science Factory is equipped with Wifi service and is following all COVID-19 safety procedures including increased cleaning protocols, mandatory masks in the facility, and additional hand-sanitizer stations. Our professional educators will be able to assist students with their school work, provide technical help, and lead interactive STEM brain-breaks to help keep students motivated. Students will also be given breaks to explore the exhibit hall. Students who stay all day can bring a packed lunch.

More information about the program may be found at www.LancasterScienceFactory.org/cyberlearning.

Half-day sessions are \$45 and full-days are \$80. Scholarships will be awarded on a co-pay model as follows:

Each half-day session: \$15 paid by parent, \$30 covered by scholarship

Each full-day session: \$20 paid by parent, \$60 covered by scholarship
